Birthday Duck Competition for Primary Schools

Decorate a mini duck for the chance to officially open Harbour Carnival on Friday 11th August 2017, plus win a sailing experience with Guernsey Sailing Trust for you and your classmates.

To mark the 10th year of RBC Wealth Management's support of the Harbour Carnival, we are inviting primary school children to dress a duck with a birthday party theme.

Ducks are available from local primary schools for a minimum donation of £2. Once decorated, ducks should be returned to the school by Friday 30th June 2017 for collection by the Round Table. On the night of Harbour Carnival all of the ducks will be released into the harbour to take part in the Mini Duck Race for the chance to win another prize.

Money raised will support Guernsey's youth charity, The HUB.
