Dear parent / guardian/ carer,

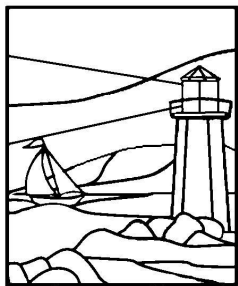

Starting from Thurs.14th September, a small team from St Martin's would like to offer another after school club, Lighthouse, in the Christmas and Easter terms for **Yr 4 children, Thursday afternoons from 3:00 – 4:15**, this time more drama than craft based.

We will enjoy some silly drama games, explore stories from the Bible in creative ways, develop various theatre skills and hopefully work towards putting on a 10-minute 'production' for a school assembly.

Could you please fill in the tear-off slip below if your child is interested, and return it to school. Also are there any parents/carers who would be able to help with refreshments or drama games – you don't have to be good at drama! – please let me know too.

Blessings, Sister Kate xx
