SMASH

17th July 2015

Dear parent / guardian/ carer,

Starting in September, a small team from St Martin's would like to offer another after school craft-based club in the Christmas and Easter terms for **Yr 3 children, Tuesday afternoon from 3:00 – 4:00**. Previously this has been called SMASH, (St Martin's after school hour!) but we're happy for the children to come up with their own new name.

We will enjoy some lively games, explore stories from the Bible in creative ways, develop various arty skills and hopefully produce some craft masterpieces/ just have fun!

Could you please fill in the tear-off slip below if your child is interested, and return it to school. Also are there any parents/carers who would be able to help with refreshments, crafts or games – you don't have to be good at art! – please let me know too.

Blessings, Kate xx

SMASH

My son / daughter

would like to attend SMASH Club from September 2017

Form teacher's name

I(name) can/ can't help with refreshments / activity
(delete as appropriate)

My contact details, in case of emergency, are

Any special needs?
